CONSTRUCTION DEFECT REQUEST FORM

In compliance with Nevada Revised Statute (NRS) 40.6887 and Nevada Administrative Code (NAC) 624.792, the Board is charged by the legislature to accept questions or disputes concerning any manner which may affect or relate to a construction defect, including without limitation:

1. Questions concerning the need for repairs;
2. The appropriate methods of repairs;
3. The sufficiency of any repairs that have been made; and
4. The respective rights and responsibilities of claimants and contractors

NRS 40.6887(1) provides:(1) provides: A claimant or any contractor, subcontractor, supplier and design professional may submit a question or dispute to the State Contractors Board concerning any matter which may affect or relate to a construction defect, including without limitation, questions concerning the need for repairs, the appropriate method for repairs, the sufficiency of any repairs that have been made and the respective rights and responsibilities of homeowners, claimants, contractors, subcontractors, suppliers and design professionals.

NAC 624.780 through NAC 624.795 sets forth the provisions concerning the submittal of a construction defect question or dispute to the Board.
